January 2010

Dear Palmetto Section Members,

I hope this newsletter finds you rested and refreshed from a good holiday season. Thanks to all of you who turned out for our December meeting despite the inclement weather. Although I was not able to attend I heard the meeting went well and that Phil Pritchard delivered a good presentation filled with good stories, rum samples and interesting insights into the making of a good quality rum.

Plan to start the year out right by joining us at 5 pm on January 12 for our pre-meeting statistics seminar. Shrikant Kulkarni will be teaching us about "understanding the calculations involved in X-Bar and R chart control limits". The seminar will be followed by a time for networking, dinner and a presentation. Our guest speaker will be Christopher M. Hoskins D.M.D. of Hoskins Family & Cosmetic Dentistry in Greenville. Dr. Hoskins will enlighten us about Quality Indicators for Dental Care Providers.

Check out our web site at www.palmettoasq.org to learn more about our section and the schedule for the remainder of the season. I look forward to seeing you at our January meeting.

Sincerely,
Glenn Hicks, ASQ CQE, SSBB
Chair Palmetto Section
