\$150 for full year in advance

June 2010

Dear Palmetto Section Members,

Thanks to Mike Ungar from Michelin North America for joining us in May to share how Michelin has used BIB Standard to improve their business results. Thanks also to Shrikant Kulkarni for delivering his last pre-meeting statistics seminar of the season. We sincerely appreciate all of the statistics training provided by Shrikant this season and look forward to having him back next year.

I hope you can join us on June 8 for the last meeting of the season. We will be visiting North American Rescue for a tour and interactive all-age/all-physical ability training exercise designed to demonstrate the range of products they develop. North American Rescue is a premier developer and manufacturer of lifesaving solutions designed to meet the unique challenges of the tactical rescue and medical industries. The tour will be limited to 40 and sign up for the tour will be on our web site just like you would for any monthly meeting. If we have more than 40 sign up we will prioritize tour slots based on ASQ meeting attendance from this season. An email will be sent out to notify those who have a slot for the tour.

Congratulations to the following who were elected at our May meeting to serve as officers for 2010/2011; Chair: Mercedes Bartow, Secretary: Adam Caldwell and Treasurer: Vince Price. Check out our web site at www.palmettoasq.org to learn more about our section, training and job opportunities. It has been both a privilege and a pleasure to serve as the Chair of ASQ Section 1111 this year. Thank you all for your support of our section.

Sincerely,
Glenn Hicks, ASQ CQE, SSBB
Chair Palmetto Section 1111

June 8th, 2010 –ASQ Tour

Come hear Teresa Dupuis speak about

North American Rescue™ Tour and Training Exercise

Directions to North America Rescue for tour are; I85S to Pelham Rd, turn right onto Pelham. Take first right onto The Parkway. Follow to Batesville (4th light) - turn right onto Batesville. Go approx a mile - you will see Pro Logis on left, then turn left at next road (Tedwall Court - Food Equipment sign). You can park on left up on hill or before in excess lot.

North American Rescue™ is a premier developer and manufacturer of lifesaving solutions that rise to meet the unique challenges of tactical rescue and medicine. Since 1996, this cadre of former pre-hospital healthcare providers, law enforcement officers and special operation soldiers has led the way in providing breakthrough equipment and training which spans the full spectrum of pre-hospital healthcare. Increasing survivability through the lessons learned in battle is the prime objective.

NAR is proud to serve the growing community of first responders, healthcare professionals and security forces defending our country from threats, both domestic and abroad. The Unconventional Medic® requires innovative tools to manage traumatic injury in less-than-optimal conditions. NAR's 100,000 square foot headquarters houses its corporate offices, manufacturing facilities and warehousing space in addition to a 20,000 square foot area for equipment training and evaluation designed to recreate the unique environments in which their products are implemented.
