- Product development
- Product highlights
- Proterra value proposition
- Current and future operations plans
- Strategic sourcing overview

Westy has more than 18 years progressive experience in lean manufacturing, supply chain, and continuous improvement/end to end quality leadership focused on Lean and Six Sigma continuous improvement processes. Westy's most recent accomplishments are leading E-Z-GO to be the first-ever recipient of the enterprise level Shingo prize and being recognized as a winner of the Industry Week's Best Plant competition. Westy was integral in leading E-Z-GO's recent launch of it's next generation golf car - the RXV including implementing a state of the art Brownfield assembly process. Westy has held leadership roles in the areas of Quality, Six Sigma, Lean, Manufacturing, and Supply Chain with Shaw Industries, GE, NCR, and Textron.

Westy earned a Masters of Business Administration (MBA) specializing in Operations Management and a Bachelor of Science (BS) degree in Financial Management from Clemson University.
